Dear parents and carers

Year Eleven Lunchtime Arrangements

Normally we would not change an existing system in the middle of a school year. However, recent changes to safeguarding guidelines nationally mean that we can no longer allow Year Eleven students to leave the school site at lunchtime. You may be aware that other local schools have recently taken the same decision. Consequently, as of Monday 20th March Year Eleven students should remain in school at lunchtime and register as normal with their forms.

Year Eleven students will be expected to eat in the Sixth Form Bistro at lunchtime until their exam leave commences in June. Arrangements have been communicated to them at an assembly today. The menu is different in the Sixth Form Bistro but is equally good value and a good choice of food is available.

To support this change any Year Eleven student who no longer has a cashless catering card will be given one free of charge on Friday if they request one. This card can then be charged using the re-valuers in school or electronically using ParentPay if you already have an account.

In order to account for all compulsory age students at all times during the school day we have no option but to retain all Year Eleven students in school over lunchtime. We are absolutely committed to doing all that we can to keep our students safe and secure.

We are grateful, as ever, for your continued support.

Yours sincerely

S. L. Johnston Derek Kay
