Be the Change you want to see

6 October 2016

Dear Parents/Carers

I'm writing to inform you that Year 8 Religious Studies students will be taking part in the Young Leaders Award this year. We're really excited to be involved in this programme which has been designed and written by the Archbishop of York Youth Trust. For more information visit www.abyyt.com.

The Young Leaders Award aims to equip young people to *be the change they want to see* in their local communities, and through a number of interactive lessons and practical challenges our pupils will be involved in serving their community and making a difference. The award is currently available at Key Stage 2, 3 and 4, and there are thousands of students across the north of England all taking part in changing their communities for the better.

We will be starting the programme during October 2016 and look forward to all that our pupils will do to serve the local community. There may be opportunities for parents and family members to get involved in the community action projects that will take place later in the year, and we will be in touch with more details nearer the time.

At the end of the award each student will receive a certificate and we will host an awards evening at the end of the summer term 2017. More details about this will follow.

Thank you in anticipation for your support with this new venture.

Yours faithfully

Andrea Shore (Mrs)
Subject Leader for Religion, Philosophy and Ethics
