### Corridors

Thank you for your support with our corridors. These have been much tidier this week. Let's continue to work hard to keep them this way. Remember that you should enjoy them without running and making too much noise, so that others feel comfortable too. Please be aware that this will be an added focus for the weeks to follow and that those seen to need extra support in understanding this message will receive it under break time supervision. **Mr Charnock**

### Uniform

Thank you to the vast majority of you who come to school appropriately uniformed on a consistent basis. Your ongoing support is very much appreciated.

Some of you do not and there are increasing numbers of students without the necessary uniform card to explain the reasons why. Please remember to exchange a note from home, before 8.30 am at your House office should you need one.

Currently there is concern regarding shoes which don't comply with the 'black and polishable' requirement, alongside skirts that are either too short and/or made of the stretchy lycra style fabric. There also appears to be confusion regarding the style of trousers that are acceptable. Remember that if we can see your ankles, this means that your trousers are too skinny or your socks are too short or both! Please wear the correct trousers and socks in school so that your ankles can not be seen.

The Easter break provides excellent opportunity for those of you who might need to purchase new garments. Please do take up this opportunity as necessary. Pastoral staff, including form tutors will be sharing the uniform guidance with you this week, to ensure that you are clear about our expectations.

Please expect close scrutiny linked to uniform on your return and remember that any breach, without a note from home should result in a sanction. **Mr Charnock**

Year 11 students suggested this and we have organised it for you!
