# THE RETURN OF THE PINK PANTHER

No caper is too exotic...!

The Cumbrian Schools Book Award Winner has just been announced!

The Spellbinding Book of the Year is:

Cell 7 is a heart stopping thriller set in a world of the near future.

Martha Honeydew seems to have committed a horrible crime. The general public will decide whether Martha is innocent or guilty by viewing daily episodes of the hugely popular TV show *Death is Justice*, the only TV show that gives the power of life and death decisions - all for the price of a premium rate phone call.

Martha has admitted to the crime. But is she guilty? Or is reality more complicated than the images we are shown on TV?

Will appeal to fans of the Hunger Games!

Kerry said "I've just heard the Cell 7 has won the Spellbinding Book Award and I'm absolutely thrilled to bits! Thank you so much. It especially means a lot because it's voted for by readers."
