

Trinity School: Provider Access Policy

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purposes of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Student entitlement

Students in years 8-13 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options evenings, assemblies and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure

A provider wishing to request access should contact Mrs Anne Ewing, IAG Officer/Careers Lead.

Telephone: 01228 516051 Email: aew@trinity.cumbria.sch.uk

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents.

Please speak to our named Careers Lead to identify the most suitable opportunity for you. The school policy on safeguarding can be found at <http://trinity.cumbria.sch.uk/wp-content/uploads/Overarching-Safeguarding-Statement-2018.pdf>.

Premises and facilities

The School will make the main halls, classrooms or private meeting rooms available for discussions between the provider and pupils/students, as appropriate to the activity. We will also make available other specialist equipment to support provider presentations, if required. This will all be discussed and agreed in advance of the visit with the Careers Lead.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with our Careers Lead who will distribute the relevant information to students/pupils.
