Dear Parent/Carer

Re: French/Spanish Homework Support Booklet

We are very much looking forward to your child continuing to be as successful as they can in their language learning in Year 9.

As part of your child's homework there is a course booklet for Module 2 which is this term's work. The booklet needs to be printed out and will provide them with vocabulary which will form regular vocabulary tests. They will also have to complete translations, there will be grammar support and speaking scenarios within this. They will need to work regularly on this as it will need to be completed this by the week commencing 27 March. Their class teacher will ensure that they know the precise day for completion. The vocabulary at the front of the booklet will be tested throughout this term. The booklet is on the school's website via Office 365 and has been shared with their class via the One drive. There is also a language booklet that has the key language taught this term with the English next to it so that you can support your child. This is called Module 2 Language Booklet and is found in the same location.

Should you have any queries or difficulties in locating these booklets please do not hesitate to contact me.

We wish them well in their continued language learning.

Yours faithfully

S McArdle (Mrs)
