Dear Parent/Carer

Re: French and Spanish Homework/Support Booklet

As part of your child's homework there is a course booklet for Module 3 which is this term's work. The booklet needs to be saved electronically so that your child can regularly refer to it for grammar/vocabulary and language structure support. The first pages of vocabulary and the translation pages may be printed out at home as they will form part of homework. It is not necessary to print all off the booklet just the vocabulary and translation sections.

Students need to work regularly on this as it needs to be completed this by the week commencing 27 June. Their class teacher will ensure that they know the precise day for completion. The vocabulary at the front of the booklet will be tested throughout this term.

There is also a language booklet that has the key language taught this term with the English next to it so that you are able to support your child: this is called Module 3 Language Booklet and is found in the same location.

Should you have any queries or difficulties in locating these booklets please do not hesitate to contact me.

Yours faithfully

S McArdle (Mrs)
