Headteacher

27th March 2020

Dear Parent/Carer

I wanted to let you now that from Monday 30th March, Trinity School will be a hub for the children of Key Workers. What this means is that we will be collaborating with other schools (Caldew, William Howard, Morton and Newman) in providing childcare. This will be based at Trinity School and hours have been extended from 8:30am to 3:30pm. We will be looking to see if we can offer a breakfast club and earlier start time soon.

What this means for students is that there will be a small number of other students from these schools that will also attend Trinity School from Monday. For next week this will be staffed by Trinity School staff under the same model as this week. The week after, one of the other schools will take over in providing teachers and activities for students. When this happens, there will still be a member of Senior Leadership in school.

I am sending this to all the parents/carers we have on our list from the survey we did last week. We are aware that some of you may not need childcare yet but have told us that you may if things change in the coming weeks. Please update us as soon as you know of any shift patterns as this will help us to plan for numbers in school. If you decide that you do not want to send your children, please tell us as soon as you can. Reception will be answering calls and you can email info@trinity.cumbria.sch.uk to let us know.

Yours sincerely

Jo Hawkin
Headteacher
