Dear Parent/Carers

Re: Consultation on Trinity School Admission Arrangements 2023-24

In line with the requirements, the Governors have consulted all parents, the Diocese, the Local Authority and other schools.

There were only two responses and as a result we have made a very small but important change to our over-subscription criteria as advised by the Diocese. This refers to children who appear to be in state care outside of England.

We have also added in a section with regard to "Admission of children outside their age group". Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. The school will make a decision about such an admission on the basis of the circumstances of each case.

Yours sincerely
