Dear Parents/Carers

Re: Year 12 Futures Ready Day, Newcastle University, Wednesday 17 April 2024

Choosing which pathway to follow at the end of Sixth Form is one of the most important decisions that students must make. At Trinity, we are committed to ensuring that all students receive impartial advice and guidance to help them make an informed choice about their post Sixth Form options. Over the next few months, we will be holding a series of events that will provide students with more information about the opportunities that are available to them, starting with our Futures Ready Day on Wednesday 17 April.

We are delighted that Newcastle University has agreed to run a full day programme for all our Year 12 students this year. As well as the opportunity to learn about the advantages of university and have a campus tour, there will also be two presentations: Future Options (including apprenticeships, degree apprenticeships & employment) and University Mythbusters (which addresses some of the common myths surrounding university).

Students will be accompanied by six members of staff and will travel by coach departing from the area around DFS (on Duke's Road near Zero Path). Registers will be taken on the coaches at 8:10am and we will depart at 8:25am prompt, returning to school at approximately 3:30pm. I will be the emergency contact for the day, telephone 07584 146057.

Students must bring a packed lunch to eat on campus as the university has stipulated that there won't be time for students to purchase lunch. **Please note that students must not leave the university campus at any point throughout the day.**

Attendance at Futures Ready Day is compulsory for all Year 12 students and if you have any queries about the event, please contact the Sixth Form team on 01228 516051.

Yours faithfully

Mr. Andrew Winter
Assistant Headteacher (Sixth Form)
