Dear Parent/Carer

We have been extremely impressed with the effort and attitude of our students towards their revision as they approach their examinations. In GCSE Pod alone, year 11 have accessed 19,627 pods. The average student has accessed 73 pods. In school, teachers will be working up until the last minute to ensure that their students are ready for exams.

Given the considerable time lost in education, Trinity made the decision to keep all students in school during their exams, so that they can receive high-quality, subject specific support from their teachers. This will continue until the students have completed their last core exam on 14th June.

There will be pre-exam briefings before the majority of exams to ensure students are as prepared as possible. Morning pre-exam briefings will begin at 8.30am, so please ensure your child arrives in school promptly with time to spare. Afternoon exam briefings will begin at 12.40pm.

From Monday 17th June, students will be allowed to leave school after an exam, in order to complete private study at home. Study leave therefore begins on Monday 17th June.

The official leavers day morning will be on Monday 24th June. This is where we say goodbye in an informal way, take photos, share memories and wish the students well. Students should arrive in school for 8.45am and are not required to wear school uniform on this day. Breakfast is provided in school.

This Friday is our Senior Prize-Giving Service at the Cathedral. I look forward to seeing you there.

Yours sincerely
