22 January 2025

Dear Parent/Carer

Year 9 GCSE Guided Pathway Process and Parents' Evening

At Trinity we are committed to ensuring every student has access to the best course for them regardless of their ability. To help your child to make an informed decision I would like to invite you to our Options Evening on Tuesday 28 January, from 4.00pm - 7.00pm.

During the evening there will be an opportunity to attend a short presentation on the options process by Mr Grant. The first talk will be at 4:30pm, with a repeated talk at 6.00pm.

In addition, subject teachers will be available to tell parents all about their subject, details of courses and what career paths success at GCSE might lead to. It also gives both parents and students an opportunity to ask any questions they might have.

Further course details are available in the Key Stage 4 Options Booklet which is available on the school website or can be accessed by using the link below - please note the link to the option booklet in the previous letter is no longer available due to a technical issue

Please be mindful that the closing date for return of options forms is Friday 14 February.

Car Parking at Trinity School

Car parking can be challenging at school events. Please note that the car parking spaces on the opposite side of Strand Road to the school are for residents parking only; these must not be used. Traffic wardens do operate in this area and fines may be issued if cars are parked without a resident permit. Car parking is available in either of our main car parks; please use these whenever possible. There is also disc controlled parking available on other sections of Strand Road. Visitors also find there are often spaces available on the roadside around DFS and the Turf, and it is a short walk up Zero Path to the school. We would appreciate your support with this matter.

Yours faithfully

M Grant
Assistant Headteacher
