

Trinity School Carlisle

A Church of England
Academy

SECOND IN SCIENCE, PHYSICS SPECIALISM (TLR 2b)

FULL TIME AND PERMANENT

START DATE SEPTEMBER 2025

The Science Department

The Science Department is the biggest in the school with 15 teaching staff and 3 technicians. It is a very supportive, diverse department with a range of colleagues from early years teachers to very experienced teachers.

Teaching arrangements for this year are as follows:

Key Stage 3 - We follow the KS3 Activate Scheme. Our aim is to make sure that it allows for rapid progress and teaches students the skills required to be successful in Science as well as the vast amount of knowledge.

Key Stage 4 - We are following the AQA GCSE Combined Science: Trilogy and GCSE Separate Sciences specifications. Students begin these courses in year 9 after Christmas.

Key Stage 5 - Students can choose from AQA's A-level Biology, A-Level Chemistry, A-Level Physics and Edexcel's AAQ in Applied Science.

The Science Department is an exciting, forward thinking department which is always at the forefront of any new initiatives. With many student teachers and new staff praising the high level of support that members of the department offer, and the very positive feedback from the students, it is a great place to work.

The Post

We wish to appoint a highly motivated and committed Science teacher to lead effective teaching and learning in Physics, across all key stages, ensuring students make excellent progress in their learning and achievement.

What to do next

We hope that these details have helped you decide that you would like to apply for this post. Please fill in the application form and write a letter of no more than two sides about your work so far, and what we would gain if you joined our school.

Send the completed application form and a letter explaining why we should be thinking about appointing you to **Mrs Judith Clarke**, PA to the Headteacher, Trinity School, Strand Road, Carlisle, CA1 1JB or email jcl@trinity.cumbria.sch.uk by **9.00am, Monday 10th March 2025**.

You are welcome to contact us in advance if you would like to know more about us, or have other questions about the post, the school or the area. Please contact Judith Clarke on 01228 403551.

We look forward to receiving your application.

David Samson
Headteacher
