Dear Parent/Carer

Inspira is the leading career management and personal development organisation for young people and adults in Cumbria and we work with schools to provide careers information, advice and guidance to young people. We would like to signpost you and your son/daughter to attend the Carlisle Skills Fair, an event that brings together local training providers, employers and careers professionals.

Carlisle Skills Fair provides an opportunity for you to find out more about local employment and training opportunities. Employer representation at the event will cover a range of occupational sectors including engineering, manufacturing, health and beauty, construction, logistics, business administration, food and drink, tourism, financial services and uniformed services. Information and advice will also be available on Further and Higher Education options.

Carlisle Skills Fair is free of charge to visitors. Inspira will welcome you to the event and we will have our Advisers on hand to provide information, advice and guidance.
