David Samson  
Headteacher

10 March 2026

Dear Parent/Carer,

The government has introduced updated statutory guidance for Relationships, Sex and Health Education (RSE) and Health Education, which schools are required to implement from September 2026.

In response, we are reviewing our RSHE curriculum and policy to ensure that our provision remains age-appropriate, inclusive and reflective of the needs of our pupils, taking into account their:

- Age and stage of development
- Physical and emotional maturity
- Religious and cultural background
- Special Educational Needs and Disabilities (SEND)

As part of this process, we value the views of parents and carers and would welcome your feedback.

How you can support this process:

1. Please use the following link to access a summary of the statutory requirements, our proposed curriculum map and the draft RSHE policy.  
[Parent and carer information](#)
2. We invite you to complete the accompanying Microsoft Form to share your views. The survey should take no more than 5–7 minutes to complete. Within the form, you will also have the opportunity to express an interest in attending a potential RSHE parent meeting, where we would outline our RSHE provision in more detail, explain how the content is delivered, and provide an opportunity for parents to ask questions and share feedback. Subject to sufficient interest, a separate invitation will be sent to those who indicate they would like to attend. If you wish to respond, please submit the form by Thursday 26<sup>th</sup> March.  
[RSHE – Fill in form](#)

Following the consultation period, we will carefully review all responses and share further information, including details of any parent information meeting regarding our RSHE provision.

Thank you for your continued support.

Kind regards,

Mrs. L Love  
Assistant Headteacher
