Dear Parents/Carers

We have been advised that we have a confirmed case of Covid-19 in the school community. Parents/carers of those who have been in close contact with the individual have been notified using our internal track and trace system. If you have not been contacted by us that means that your child did not come into close contact with the individual at school and therefore can attend as normal. The safety measures that we have in place are designed to ensure that we can keep as many students as possible in school, safe and learning, if there is a confirmed case at school.

Yours sincerely

Jo Hawkin
