A Church of England  
Academy

## TEACHER OF COMPUTER SCIENCE AND IT

FULL TIME AND PERMANENT

REQUIRED SEPTEMBER 2023

### The Business Computing Department

The Business Computing department at Trinity is staffed by a dedicated team of teachers who stay abreast of technology and how it can impact daily lives. The department prides itself on staying up to date and members are always willing to integrate new technology and developments into their teaching, pushing the department forward at all opportunities. We have 3 dedicated IT rooms for classes as well as bookable, reliable, laptops that can be used to assist with teaching. We use a wide range of software but predominately we are using Microsoft Office, Adobe Fireworks, Scratch and Dreamweaver and when programming we use the languages Python, HTML and CSS. The department is fully resourced with a fully fleshed out scheme of work that students find engaging and challenging and staff enjoy teaching. Due to the increase in popularity at KS4 and KS5 we need to add additional staff into the department.

Year 7 and 8 have IT lessons once a week, GCSE Business and Computing have 3 lessons per week and at A Level there are 5 lessons per week. The exam board we use for GCSE Business is Eduqas, for Computing it is OCR and for A Level we study the Cambridge Technical Level 3 in IT and BTEC Business.

### The Post

Required for September 2023 a teacher of Computer Science and IT. The post is a full time, permanent position.

### What to do next

We hope that these details have helped you decide that you would like to apply for this post. Please fill in the application form, and write a letter of no more than two sides about your work so far, and what we would gain if you joined our school.

Send the completed application form and a letter explaining why we should be thinking about appointing you to **Mrs Judith Clarke**, PA to the Headteacher, Trinity School by email [icl@trinity.cumbria.sch.uk](mailto:icl@trinity.cumbria.sch.uk) by **9.00am, Friday 24 March 2023**.

We look forward to receiving your application.

Jo Hawkin  
Headteacher
