Headteacher

22nd May 2020

Dear Parent/Carer

I know that this is an uncertain time for everyone. We are looking forward to welcoming students back to school as soon as it is safe to do so.

I was hoping to be in a position by now to update you on the possibility of some face to face contact with teachers for students in Year 10 and 12. Although we have been planning, checking staff availability and assessing risk, we have still not received the secondary school guidance promised by the government earlier this week. This means that we are not able to check our risk assessments and plans against government advice and therefore cannot give a date for students to return just yet. Teachers will continue to set work and deliver lessons until we know more. As soon as we have more information, we will contact parents of children in Year 10 and 12 with the details of any return and how we plan to keep students and staff safe.

It is now looking very unlikely that students in Key Stage 3 will receive any face to face teaching before September. We are constantly reviewing our approach to home learning and would welcome feedback from parents about our system so far. We hope to include more scope for online contact in some form, as in Year 10 and 12, for these year groups as technology allows.

I hope that you are able to have a restful half term and that all in our community stay well.

Yours faithfully

Ms. Jo Hawkin
Headteacher
