Dear Parent/Carer

**Re: Eedi Maths Summer Club**

I'm excited to announce that Eedi has offered all Year 5 to Year 9 families [free access to Eedi Summer Club](#), an online maths summer program 100% free of charge that will help to boost your child's confidence in maths so that it is sky high for the new school year.

Your child will first do a quick placement quiz to set their work and then get recommended topics that'll help them improve the most over 7 weeks. Your child will get unlimited access to review questions, videos and live chat support with real teachers over the holidays. You'll also get weekly reports on how they're doing!

The minimum recommended work is 1 lesson a week, which should be around 30 minutes of work.

Each week, Eedi will hold competitions to boost motivation and engagement - from who's given the most thoughtful explanation to a problem to what team has the highest amount of points... Plus there are real prizes up for grabs!

**Signup deadline:** June 14th (Get Eedi Summer Club for free until this date - £7.99/month thereafter)

**Summer Club Starts:** July 5th

**Summer Club Ends:** August 23rd

If you want to get started using Eedi before the summer club starts, you are more than welcome to! Eedi normally offers just a 14 day free trial, but now you can use it throughout summer for free.

To get the offer, sign up on this [link](#) and create a parent account and get the offer automatically applied.

<https://eedi.com/summer-club?via=teacher-invite>

Students will be familiar with the Eedi platform having used it extensively during the last period of online learning. It uses multiple choice questions to identify misconceptions and develop understanding.

If you have any questions, please contact myself or [family@eedi.co.uk](mailto:family@eedi.co.uk) directly.

Kind regards,

Michael Cookson
