Do you have any Special Educational Needs? If yes please specify
Yes/No

Did you attend our Open Evening
Yes/No

Pathways to Success in the Sixth Form 2017

During the Spring Term we will be working hard to ensure that each of you chooses the best route in education or training following the end of Year 11. We know from experience that you will need **at least five GCSEs at Grade C/4 or above, including English Language and Maths**, to be successful on most traditional A level courses. Please see the table below for entry requirements at GCSE. For some of you, our successful vocational courses will be the best route to success. There will be a programme of information and guidance activities in school to help you choose the pathway which will bring you success. You should base your choice on your predicted grades, your career ambitions and what you enjoy doing.

As you may be aware the government has implemented a number of changes to the content and assessment procedures of A Levels and Btec qualifications. This means that for most courses there will be no external exams in Year 12, therefore, students are committing to two years of study in each subject with most external exams at the end of Year 13. Students will also choose an enrichment option from 'The Edge' at a later stage. There is more information on all subjects and 'The Edge' in the course guide.

The table below gives you a summary of the Sixth Form pathways and subjects. Use this to indicate which subjects you may like to study. For course entry requirements, please refer to the Course Guide on the school website www.trinity.cumbria.sch.uk. Please remember that courses will only run if there is sufficient uptake. If courses are oversubscribed, Curriculum Leaders and Subject Leaders will decide who is accepted based on your preferences, KS4 results, approach to learning and your future aspirations.

CHALLENGE	ADVANCED	SPECIALIST
7 or more GCSE grades: A*/A/B/6 plus. The majority of grades should be A*/A/7 plus. To study a particular 'Challenge' subject students should have at least a B/6 in that subject.	5 or more GCSE grades: A*/A/B/C (including English Language and Maths at grade 4 or above)	5 or more grades: C or D (including English Language or Maths at grade 4 or above)
