Dear Parent/Carer

Friends of Trinity School

We would like to launch a parental action group, "Friends of Trinity School", to support our improvement work, to take feedback and to enlist help with activities and fundraising events for the school community.

Our aim is to have a launch event before Christmas for any parents that would like to be involved. In order to plan the event in detail, we would like to see how many parents/carers would be interested in offering their support. If this is something that you would like to join, please could you fill in the brief online questionnaire to let us know by Friday 11 November.

Thank you in advance if you are able to help. I look forward to seeing some of you at the launch event.

Yours sincerely
