8 February 2018

Dear Parent/Carer

**Year 11 Parent Information Evening - Thursday 22 February 2018 – 5.00 pm – 6.00 pm**

On Monday 8 January we ran an information evening for parents of Year 11 students on the theme of revision and study skills. Feedback was positive from the evening and we know that students have taken on board some of the key messages from the evening by starting revision early and accessing more after school sessions in a variety of subjects. As GCSE exams approach parents often ask us how they can support their children with revision at home. We would like to invite you to a repeat of the information evening on Thursday 22 February 2018 which will help to answer this question.

During the evening, we will explain the Supporting Success programme in more detail so that you know what we have to offer here in school in terms of revision sessions and other interventions. It is also important that you are aware of the different pathways available for your child after Year 11 so that students know what grades they are likely to need to be able to access their chosen next step.

There will also be a series of short presentations with advice on how to revise for Maths, English and Science. We will briefly demonstrate 'gcsepod,' an interactive revision resource that students are currently using. Feedback from other schools that use this resource is extremely positive and students enjoy using this to revise.

Refreshments will also be available from 4.45 pm, with the presentation starting at 5.00 pm in Margaret Sewell Hall.

If you are able to join us on Thursday 22 February 2018, please complete the reply slip by following the link below before Monday 19 February 2018, letting us know how many seats you require:
