Dear Parents/Carers

We have been advised that we have a confirmed case of coronavirus in the school community. Those who might have been in close contact with the individual have been notified by letter. The risk to them is low, but it is standard practice to share information with them about the symptoms to look out for.

We are working very closely with Public Health England and the Local Authority, following all advice given.

Please see the attached information sheet and our website for the latest advice to schools.

Yours sincerely

Jo Hawkin
