Dear Parents/Carers

I am writing to inform you that your child has been identified as someone who has come into contact with a member of staff who has been diagnosed with COVID-19 (coronavirus).

We have been working closely with Public Health England and they have advised us that as a precautionary measure we should send the attached information sheet. We have been told that there is no need for you to worry, the risk is low, and that it is standard practice for us to share information with you about the symptoms to look out for.

We will give further updates as we get them, but felt it was important to let you know as quickly as possible.

Yours sincerely

Jo Hawkin
