4 February 2022

Dear Parent / Carer

Re: Mask wearing

We have been assessing our number of positive cases of COVID-19 on a daily basis and are pleased to be able to report that numbers have started to decrease across most year groups and form classes. This means that from Monday 7th February students will no longer need to wear masks in classrooms or corridors. Should cases begin to rise again, we will continue to liaise with Public Health and take their advice about whether the recommendation of the reintroduction of masks is an appropriate measure, alongside the stringent measures we already have in place.

I would like to thank you for your support and also to congratulate our students who have been superb in their understanding of the situation and have supported the community by wearing face coverings, no matter how uncomfortable. They deserve high praise for their caring and compassionate attitude.

Yours sincerely

Jo Hawkin
