Ms Jo Hawkin  
Headteacher

28 January 2022

Dear Parent/Carer

We have seen a rise in the number of cases of COVID-19 this week, with multiple cases in most year groups and numbers above threshold measures in some year groups. Following consultations with Public Health we have been advised to recommend the continued use of face coverings until case numbers reduce. We are monitoring the situation daily and will let you know when we are able to make changes.

We have also had a number of students who have come into school with a sickness bug this week, some who have subsequently tested positive for COVID-19. Public Health have told us that it is likely that we are seeing an increase in norovirus circulating at the same time as COVID-19. They have asked that we share this advice:

*Any pupil experiencing Diarrhoea or Vomiting should stay at home for 48 hours and carry out an LFD test as soon as they feel well enough to do so during those 48 hours as a way to rule out COVID-19*

We are hopeful that with continued vigilance, continued testing at home and the safety measures already in place at school that case numbers will drop soon. The immunisation team will be in school on 9 February to carry out COVID-19 vaccinations (first and second doses). Eligible students will receive a letter and consent form to bring home today.

Yours sincerely

Jo Hawkin
