

Trinity School

Trinity School, Carlisle, Cumbria

TEACHER OF MFL Main Scale

REQUIRED FOR SEPTEMBER 2018

When you have read the details, and if you decide that you like the sound of us, please let us have your completed application form by **9.00am, Monday 21st May**, along with a letter, explaining why we should be thinking about appointing you.

Interviews will be held on Thursday 24th May.

A The School

Trinity School began in 1968 with the joining together of the Carlisle Grammar School, The Creighton School, and The Margaret Sewell School. We have a site which is right at the heart of the city of Carlisle. The old grammar school which houses our Sixth Form is a lovely building in red sandstone. The 11-16 school has benefited from an extensive rebuild and remodelling project. In September 2010 we opened the first phase which gave us state of the art Science, Technology and ICT rooms. September 2011 saw the opening of the second phase, with new Art, MFL, Humanities and SEN rooms. The third phase, a new entrance, was completed in April 2012. We think we have a lovely school in which to work and we are delighted with what we have achieved.

Trinity School has just under 1700 students; this includes a Sixth Form of 350. This makes us one of the largest Church of England schools in the country. We gained academy status with effect from 1 September 2011 and are now a Church of England Academy. If you are worried that the school might be too big and impersonal for you, then don't be: this is a very friendly school, which functions as a community, and as a series of smaller communities within the main school.

There are four houses – Amazon, Nile, Everest and Kilimanjaro – and the pastoral system is run by the Heads of House, each supported by a House Tutor. Form tutors make sure that they know their forms well and monitor their progress through the year. Behaviour in the school is good, and our classrooms are pleasant, well ordered places.

Each department has its own area in the school, with its own facilities, but the central staffroom still works as the main meeting place for staff. We are not a quiet place: there are school plays and concerts; Graduation Evening takes place in Carlisle cathedral; we have a wide range of sports and team games going on; the Duke of Edinburgh Award scheme is very popular and we have a big programme of visits to the continent. Yet this is a place where the emphasis will always be on the quality of teaching and learning. We have high ambitions for all our students, and enjoy a very supportive relationship with parents, and with governors.

We aspire to being a place where Christian values are at the heart of what we do. We try to have simple policies and to value the contribution of every individual in the school. While we are a Church school, there is no requirement in our admissions policy for pupils that they must be churchgoers to come here. Similarly for staff – we would like you to be in sympathy with and supportive of the aims and ethos of a church school, but there are members of staff of many different persuasions working here.

The school is supported by the Diocese of Carlisle, and the Trust which oversees us as an Academy has the Bishop, the Dean and the Archdeacon on it, along with the Diocesan Director of Education and our Chair of Governors. They have our best interests at heart, as do the Governors themselves who support, encourage and celebrate the school.

B The Inspections

Ofsted judged us to be a good school with outstanding Sixth Form provision in April 2015, and our capacity to move forward is very strong. You may well have looked this up on our website, or through Ofsted, but here are some highlights:

'All staff share the co-headteachers' and governors' determination that the school will offer the best possible provision to students.'

'Safeguarding arrangements are exemplary. Leaders and all staff go beyond their roles to ensure that all students are safe and cared for well.'

'The behaviour of students is good. The vast majority of students have positive attitudes to learning and are keen to do well.'

'Students respond well to teachers' high expectations and are engaged in their learning.'

'The sixth form has gone from strength to strength and is now outstanding.'

'The behaviour of students in the sixth form is exemplary. Their mature conduct provides excellent role models for younger students.'

Our **SIAMS** (Statutory Inspection of Anglican and Methodist Schools) report, completed in October 2016, states:

"The school's clear commitment to the worth and potential of each individual is summarised in the short vision statement: 'standards, responsibility and opportunity...for all'. This is linked with five core values (community, trust, hope, endurance and compassion) whose impact is acknowledged by all."

"Students speak readily of how the vision and values influence behaviour, relationships and attitude to learning. This is clear in the purposeful atmosphere that pervades the school. They also underpin the careful attention given to spiritual, moral, social and cultural (SMSC) development."

"Leaders understand the school to be part of the wider community and demonstrate this through their commitment to service. This was clear at the time of the December 2015 flood when they opened the school as soon as possible to restore a sense of order, calm and normality in a context of devastation and distress. This is just one of many powerful examples of leaders living out their Christian vision."

C The MFL Department

The Modern Languages Department is a friendly and supportive department, which is highly regarded for the quality of teaching and learning. There is a consistency running throughout the department in terms of approach to KS3 and embedding the GCSE strands from the early years. Engagement and challenge are key drivers in lesson planning and collaborative planning is regular to ensure high quality lessons are in place for all our learners. The department works rigorously to ensure that innovative ideas and approaches appeal to students and engage all.

Students in KS3 are given either French or Spanish and are taught for three periods a week. Students at KS4 are advised in many cases and encouraged to continue with a language. We have on average 50% of the cohort continuing with a language. At KS5 we have small numbers of students who take an A level in French, Spanish and in the forthcoming year, Italian. GCSE results have consistently been in line or above the national average and A level outcomes also have similar success.

We have had previous trips to France, Spain and Italy. We are planning to enhance the language experience of our students through future adventures in the language of study.

D The MFL Post

We would like to appoint a well qualified and enthusiastic teacher of Modern Foreign Languages. The ability to teach French and Spanish at both Key Stage 3 and 4 is desirable; the ability to teach Spanish at Key Stage 5 would be an advantage. Applications are welcome from NQTs as well as from experienced teachers.
