Secondary Ready is a free course within Numerise that is designed to prepare Year 6 learners for starting Year 7 in September.

Being up-to-speed in maths when starting secondary school is really important. Things like core number skills are really vital to make sure that when they start moving on to more challenging concepts, they have a solid foundation with no gaps in their knowledge.

## Benefits of Numerise

- ✦ Designed specifically to prepare children for starting Year 7
- ✦ Varied questions keep learners engaged and motivated
- ✦ Help videos are available for when a child gets stuck
- ✦ Use on a desktop, laptop, tablet or mobile – whichever suits you

## A proven approach

POWERED BY SPARX MATHS

Numerise is based on award-winning Sparx Maths, which is used in schools to improve students' maths grades. This personalised approach to learning is now available to help your child improve their maths at home.

## Independent learning

QUESTIONS AND VIDEOS AT YOUR FINGERTIPS

Every question is carefully chosen to suit your child's maths level using our sophisticated technology. And there are thousands of help videos if learners get stuck.

## Track progress

SEE HOW YOUR CHILD IS DOING

We send you a weekly email and you can log in to see, at a glance, how your child is progressing through the Secondary Ready course. Our learner dashboard also lets your child see how they are getting on.
