Dear Parent/Carer

Re: New Intake 2023-24 – Year 6 Transition (Online Payments)

We are looking forward to welcoming new faces to our Year 7 group in September.

The school operates a cashless system for school meals, trips, music lessons etc, however we have recently received notice that the current online payment software will be withdrawn from all schools at the end of July. Consequently, we have been working towards securing a new online payment system before the expiry date.

We have now opted to subscribe to iPayImpact and we are consulting with the new provider to ensure a smooth transition to the new software.

We have included some literature attached from iPay so you can get a sense of the opportunities this will bring. However, there are a number of areas I would like to clarify from the outset to assist with the registration process:

- 1 Parents/Carers will receive a new registration code with full joining instructions during the summer break. You will need to register your child/s account to allow all online payments to the school as normal. iPay is currently a web-based application, however a mobile app is in development.
- 2 iPay is integrated with our current catering software so there should be a seamless transition.
- 3 During the transition day in July, student accounts will be debited for the meal purchased on the day. This amount will then be cleared when your first payment is made following registration.

The school is committed to operating a completely cashless system, so I would encourage all parents and carers to register with iPay on receipt of your unique account reference.

Further details, including account reference numbers, will follow during the summer break.

Yours faithfully

D Foulkes
Business Manager

A simple and secure way to manage all school purchases

Register to **iPayimpact**

Trusted cashless payments for parents!

A simple and secure way for parents and guardians to pay for **all** school purchases, iPayimpact removes the need for pupils to bring cash and cheques into school, making school purchases completely cashless.

iPayimpact can be used to purchase school dinners, trips, events, tickets, and school shop, either through desktop, tablet, or a mobile phone, enabling you to review payments, purchase history and current balance anytime, anywhere.

✓ **Manage all school purchases**

iPayimpact offers a simple and secure way for parents and guardians to pay for all school purchases.

Individual online user accounts provide parents with a single view over all their children's activities, including clubs, trips, and meals account, with the ability to top-up anytime and view their entire transaction history and live cashless balance.

✓ **Secure online payments**

All payments made through iPayimpact are covered under the Financial Conduct Authority (FCA) to provide parents with the highest level of payment protection.

✓ **Set-up automated payments**

You no longer need to rush to look for cash or remember to top-up your child's account on a Sunday night. With iPayimpact, you can set up automated payments daily, weekly, or monthly to ensure your child's account always has adequate funds.

What's more, you can also check your live cashless balance anytime, anywhere with iPayimpact.
