Ms Jo Hawkin
Headteacher

13 October 2020

Dear Parents/Carers

At Trinity School we are fully aware that we are working in unprecedented times. We hope that the learning of students will be uninterrupted as we move forward into the academic year. However, we know that there may be times when individual members of staff or students are unable to be in school to focus on teaching and learning – if they are self-isolating, for example. We are also aware that the national situation is more nuanced than it was in the spring: small groups or individuals are being asked to self-isolate, rather than schools being fully closed. We have had to plan for a full range of circumstances that may occur, and you can find a guide to the online learning we will provide in a variety of scenarios sent with this letter.

If you think that there may be an issue with accessing learning online, please make sure that your child's Head of Year is aware of this, to ensure that alternative arrangements can be made

Thanks for supporting your child's learning in the last six months.

Yours faithfully

Declan McArdle
Trinity Teaching and Learning Team
