Dear Parent/Carer

I wanted to thank you for your support during this half term.

We have had high numbers of COVID-19 cases since the return after Christmas and this has had an impact on both staff and student absence but fortunately attendance has started to rise in the last week or so. The student attendance figure is some 10% above the latest national figure, a testament to the resilience of all students.

We are lucky that we have been able to draw upon the expertise of staff who have previously worked in the school to ensure that lessons were not disrupted and are pleased that we have not had to resort to combining classes in halls as some schools across the country have had to do. Our students have been incredibly thoughtful throughout and have understood when we have needed to ask more of them. There have been 112,255 achievement logs awarded to date this year, alongside many other rewards and these are well deserved.

Whilst some areas of the school, such as extra-curricular activities, sports fixtures and clubs have been able to continue we have needed to be cautious about some events since September. We are more positive that we may be able to offer more in the way of trips and hope to see a return to more face to face meetings with individual parents alongside opportunities for whole year groups to come into school. We will be busy planning Prom for years 11 and 13 and will update you about these events as soon as we can.

Yours sincerely

Jo Hawkin
