Dear Parents/Carers

As you know we are closed until Monday 23rd March due to the two confirmed cases of COVID-19. You will be pleased to hear that those affected are recovering well.

We have asked teachers to set work for the week ahead. It is important to note that, whilst students without symptoms need not self-isolate, they should be working at home.

Work will be set using our existing online systems (ClassCharts, email or website.) If you are unable to access work via these systems please let us know via your child's Year Tutor and we will try to send suitable work home. We have asked staff to set the correct amount of work for each lesson on the timetable; each chunk of work should take one hour and students should be set enough each day for five hours learning to take place. Year 11 and 13 may be also set extra work to support their revision such as past papers, for example.

We will update you next week and look forward to welcoming students back to school on Monday 23rd March.

Yours sincerely

Jo Hawkin
