Ms Jo Hawkin  
Headteacher

17 July 2020

Dear Parents/Carers

This will be my last communication of the school year and I will be in touch again mid-August with more details about September. We plan to send FAQs (frequently asked questions), the Covid home school agreement, our interim Covid behaviour procedures and detailed instructions for each year group then. You can still view the voiced PowerPoint which outlines how students will be taught in September and the risk assessments from the website. We are busy putting everything in place to keep children and staff safe.

The start of term will be a little different this year due to the need to explain to students how the school will operate. We will need students to practice their routes into school, get used to their areas, movement for break times and for Key Stage 4 and 5, practice movement between lessons with fewer students in school. This means that we will be having a staggered start with students coming to school on different days and times in the first week. Due to the bank holiday and the INSET day, the start of term is Wednesday 2<sup>nd</sup> September, and we will have all students in school by the afternoon of Friday 4<sup>th</sup> September. The details for each year group's days are in the table below. Students in Year 7 and 12 will have their Trinity Induction Days on Wednesday 2<sup>nd</sup> September and will be the only students in school on that day. It is important to help students new to the school to find their way around without worrying about other 'bubbles.'

### Week 1

Day/date	Year groups in school	Start time	Finish time
Wed 2 <sup>nd</sup> September	Years 7, 12	8:30am	3:05pm
Thurs 3 <sup>rd</sup> September	Years 7, 8, 11	8:30am	3:05pm
	Year 12	11am	3:05pm
	Years 13	8:30am	10:35am
Fri 4 <sup>th</sup> September	Years 9, 10	8:30am	3:05pm
	Years 7,8,11,12,13	11am	3:05pm

Please note that there may be a 5 minute window for arrival and exit which we will send with the separate year group information in August. If your child uses school transport, buses will run on the normal school day timings and we will arrange sessions in school for them if their year group arrival time is different.

Mr Hopkins, from the Teaching and Learning Team, has produced a voiced PowerPoint to share the feedback from the recent teaching and learning during lockdown survey. This also gives information about our online learning principles, were we to go into lockdown again. The link to this is here: <https://vimeo.com/439205384>

It is just left for me to wish you all a wonderful summer. I know that this has been a difficult time but many of our school community have flourished in their learning and we are proud of them. I thank all of you for the job you have done from home and look forward to seeing you in person as soon as we are allowed.

With warmest wishes to all.

Yours sincerely

Jo Hawkin
