18 March 2020

Dear Parents/Carers

You will have heard the announcement from the government this evening about school closures from Monday. Schools have not, as yet, received any more information than the general public. We will be planning for what comes next over the next few days and will be in touch soon.

We have sent a message to students in Year 11 and 13 to let them know that we will do all we can to support them through this difficult and uncertain time. As soon as we know what will happen about exams, we will let you know. I empathise with all of them and know how hard they have worked towards their exams so far.

Tomorrow we will be sending a letter to find out which parents work for frontline services so that we can organise groups and staff for those who need it. Mr. Brentnall will be in contact with the parents of students who have an Educational Health Care Plan to assess what will be needed in terms of support for them.

We will keep setting work for all year groups and plan to use different options for learning over the period of closure. Many thanks for your messages of support for the school and for some of the creative ideas that parents have shared with us. I hope that you and your families stay safe and well and please get in touch if you need to.

Yours sincerely

Jo Hawkin
Headteacher
