Dear Parent/Carer

### Re: Parents' Evenings Review

Now that our annual cycle of parents' evenings is over, and before we begin to plan our calendar events for next year, we feel it is appropriate to take some additional feedback about your experience of parents evenings this year.

You will be aware that we take feedback immediately after each event. Returns this year suggest that the vast majority of you continue to favour the virtual events, recognising that they address some of the key frustrations with pre-pandemic 'in-person' events. Routine concerns about lengthy walks between appointments, getting lost in the building, other parents going over their allotted time, and the lack of privacy with queues nearby, were all resolved when the virtual appointment system was put into place.

We do recognise that the virtual events are not perfect however, and increasingly conscious that your views might have changed. This being the case, we would be grateful if you would take the time to register your views via this link:

It would be additionally helpful, if this could be done before 3.00 pm, Friday 26 May.

Thank you in advance for your contributions.

Yours faithfully

P Charnock  
**Deputy Headteacher**
