### **LSA use of mobile phones**

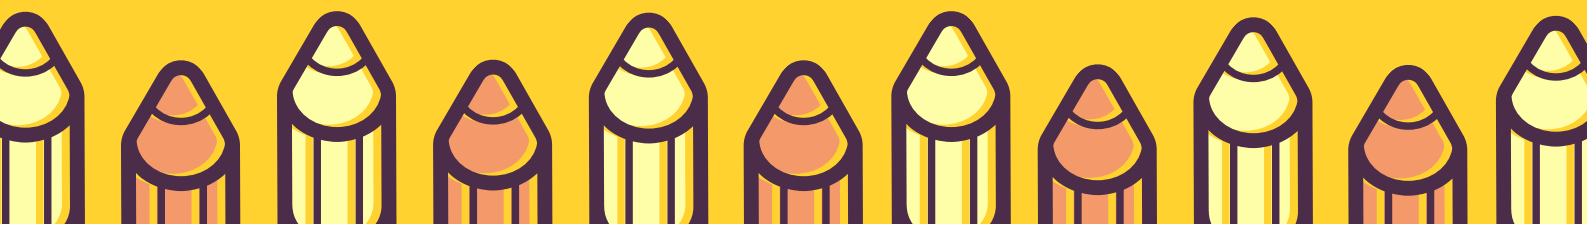

The following message is so you understand why you might occasionally see an LSA using a phone in lesson time. As you know, we have many LSAs in school in your lessons to support everyone's learning. In order to best meet everyone's needs each day, there are often many changes made to where LSAs need to be. LSAs need to check their emails on their mobile phones because they do not have access to a computer, and information may change suddenly during the school day. Where possible, they will step out of class to do so.

## Book of the week

Sometimes at the darkest hour, hope shines the brightest...

When Col's childhood imaginary friends come to life, he discovers a world where myths and legends are real. Accompanied by his guardians - a six-foot tiger, a badger in a waistcoat and a miniature knight - Col must race to Blitz-bombed London to save his sister.

But there are darker forces at work, even than the Nazi bombings. Soon Col is pursued by the terrifying Midwinter King, who is determined to bring an eternal darkness down over everything.
