## TEACHER OF SCIENCE (Physics specialist)

FULL TIME - A PERMANENT POST REQUIRED FOR SEPTEMBER 2022

(OR EARLIER IF POSSIBLE)

### The Science Department

The Science Department is the biggest in the school with 15 teaching staff and 4 technicians. It is a very supportive, diverse department with a range of colleagues from student teachers to very experienced teachers.

Teaching arrangements for this year are as follows:

**Key Stage 3** - We follow the KS3 Activate Scheme. Our aim is to make sure that it allows for rapid progress and teaches students the skills required to be successful in Science as well as the vast amount of knowledge.

**Key Stage 4** - We are following the AQA GCSE Combined Science: Trilogy and GCSE Separate Sciences specifications. Students begin these courses in year 9 after Christmas.

**Key Stage 5** - Students can choose from AQA's A-level Biology, A-Level Chemistry, A-Level Physics and Edexcel's Level 3 BTEC in Applied Science.

The Science Department is an exciting, forward thinking department which is always at the forefront of any new initiatives. With many student teachers and new staff praising the high level of support that members of the department offer, and the very positive feedback from the students, it is a great place to work.

### The Post

We wish to appoint a highly motivated and committed Science teacher to teach at all key stages. Applications are welcome from NQTs and more experienced teachers. Ideally we would prefer a candidate with a Physics specialism.

### What to do next

We hope that these details have helped you decide that you would like to apply for this post. Please fill in the application form, in black as we will photocopy it, and write a letter of no more than two sides about your work so far, and what we would gain if you joined our school.

Send the completed application form and a letter explaining why we should be thinking about appointing you to **Mrs Judith Clarke**, PA to the Headteacher, Trinity School, Strand Road, Carlisle, CA1 1JB or email [jcl@trinity.cumbria.sch.uk](mailto:jcl@trinity.cumbria.sch.uk) by **9.00am, Monday 24<sup>th</sup> January 2022**.

You are welcome to contact us in advance if you would like to know more about us, or have other questions about the post, the school or the area. Please contact Judith Clarke on 01228 403551.

We look forward to receiving your application.

*J. Hawkin*
