Re: Consultation on Trinity School Admission Arrangements 2023-24
Consultation period: 29th November 2021 – 17th January 2022

We are consulting on our School Admission Arrangements for secondary transfer and the In Year policy for entry in 2023-24.

It is now 7 years since the arrangements were last consulted and we are required to consult once again. The admission arrangements are published on the school website [Trinity School Website](#). There are no proposals to make any changes and our Published Admission Number remains at 270.

If you would like to comment on the process, please use the following link which will take you to an online form [Admission Arrangements Consultation 2021](#). Alternatively, if you would like to respond by letter please send to the school address FAO Mrs Hubberstey. Written responses should outline your personal details, including your name, address and relationship to the school. We must receive your views by 17th January 2022 at the latest.

At the end of the consultation period, the Governing Body will consider responses before determining the admission arrangements.

Yours sincerely
