Dear Parent/Carer

Re: Year 10 Virtual Parents' Evening - Tuesday 22 February 2022 – 3.30 pm to 6.30 pm

We hope that you will be able to attend the virtual evening to speak with your son/daughter's subject teachers. To facilitate the discussions, we are using our existing Parents Evening Booking System as a video conferencing option. Accessing this booking system as you normally do will allow you to select an appointment with the appropriate members of staff. Appointments will last 5 minutes and will always finish at the specified time. **The booking system will be open to make appointments from Friday 11 February at 11.00 am and will close on Tuesday 22 February at 1.30 pm.**

There is a feature now added to the parents' evening system which allows up to two parents, at different addresses, to be involved in each video call. After you have made your bookings, click the '*Invite Parent/Guardian*' button, and enter the email address of the second parent/carer you wish to invite, and this will grant them access to the call also. The additional parent then clicks the link in the email to join the appointments.

Another improvement to the Video Appointments procedure is the ability for parents to choose between, and test, their available audio and video devices before joining the video call.

A guide on how to attend your appointments over video call can be viewed at: <https://support.parentseveningsystem.co.uk/article/801-video-parents-how-to-attend-appointments-over-video-call>. Whilst the system we are using for this event has been typically excellent, it is important to acknowledge that technology from external providers can sometimes let us down. Please note that if we are disrupted in any way, teachers will email your son/daughter's school email account with a link to access a live 'Teams' conversation instead.

Please visit <http://trinityschoolcarlisle.parentseveningsystem.co.uk> or use the link on the Trinity School website, to book your appointments.

Should you wish to make any changes after the booking system closes, or if you need any help with your booking, please don't hesitate to contact your son/daughter's Head of Year, who will be able to assist you.

If you are unable to attend, or feel you need more information regarding your son/daughter's progress to date following your appointment, please email school. Contact email addresses for each subject area is on the Trinity website at www.trinity.cumbria.sch.uk

Yours faithfully
