Dear Parent/Carer

### French and Spanish - CGP 9-1 Revision Guides

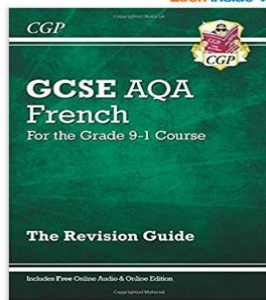

As part of your child being as well prepared and as successful as possible in their language GCSE, we would like to inform you about the CGP GCSE French/ Spanish revision guide that is available to purchase. This gives your child the grammar they need to cover for the course content. Naturally they also have access to the booklets for each module that we devised and these are concise and useful enough for your child to work on the grammar points. The revision guide does offer practice and is an excellent resource for the students to have. Please see the guides below if you wish to purchase the correct copies.
