Dear Parents/Carers

### Re: Y7 Trinity Ready Diploma

As we approach the end of the first half term, we hope that your children have settled well into life at Trinity. They have made a hugely positive impression and the staff in school have been impressed with the way they have handled the transition to secondary and are thoroughly enjoying teaching them.

As mentioned at the Year 7 Parents' Information Evening, the Year 7 Trinity Ready Diploma was launched this week to students in a special assembly. This is a new initiative to ensure that we encourage each new student to make the most of the support and opportunities available to them at Trinity.

We believe it links with our core values of trust, community, compassion, endurance and hope, with the aim of our students being able to succeed and earn rewards.

Your child's form tutor will have issued them with a Record Card that identifies each of the 4 targets and the 7 challenges that make up the Year 7 Trinity Ready Diploma. Each of these has three tiers; Bronze, Silver and Gold. The specific requirements for each category are given on the Record Card.

There are staged rewards for each tier including lucky dip prizes, lunch queue-jump cards and for all those attaining an average of Silver or better, a year group activity in the last week of term.

It would be fantastic if you could periodically ask your child how they are progressing with their Diploma and if possible, encourage them to take a picture of their Record Card in case they were to lose it!
