Dear Parent/Carer

**Re: Year 9 Options for Design and Technology and Art and Design**

Today your son/daughter should have found out which option subjects they will study in Design and Technology/Art next year. Their current class teacher will have informed them of a major subject that they will have for two lessons per week and a minor subject that they will have for one lesson per week from September onwards.

I am pleased to report that a large majority of students have got the options that they requested. However, due to the availability of teachers, specialist classrooms and restrictions on class sizes it has not been possible to accommodate all the choices that were made.

If you have any questions or concerns about the options that your son/daughter has been given please contact me via the email address below.

Yours sincerely

D Birch  
**Curriculum Leader of D&T**
