Dear Parent/Carer

Re: French and Spanish Homework/Support Booklet

We are very much looking forward to your child being as successful as they can in their language learning this year in Year 9. It would be very beneficial that your child attends each language lesson with a dictionary, which would support their learning. These can be purchased in most book shops or online and ideally should have a verb section.

As part of your child's homework there is a course booklet for Module 1 which is this term's work. The booklet needs to be printed out at home or saved electronically as this will provide them with vocabulary that will form regular vocabulary tests. They will also have to complete translations and speaking card scenarios. There will be grammar support and clarification in each booklet over the course of the year. They will need to work regularly on this as it will need to be completed by the week commencing 20 November. Their class teacher will ensure that they know the precise day for completion. The vocabulary at the front of the booklet will be tested throughout this term on a weekly basis. Please follow the link below to access the booklet.

Should you have any queries or difficulties in locating these booklets please do not hesitate to contact me.

We wish them well in their future language learning.

Yours faithfully
