Dear Parent/Carer

**Re: Year 11 Parent Information Evening
Thursday 6 October 2022 – 4.00 pm to 6.00 pm**

As GCSE exams approach parents often ask us how they can support their children with revision at home. We would like to invite you to an information evening on Thursday 6 October from 4.00 pm to 6.00 pm which will focus on the theme of revision and study skills. As a result of feedback from previous year groups we have brought this event forward in the calendar to allow us all to help students make the most of this year.

In addition to general advice about the year ahead, there will be a series of short presentations on the topics below:

- How to revise for Maths
- How to revise for English
- How to revise for Science

We intend this evening to be an informal occasion where you will have the opportunity to ask questions, get involved in activities and speak to other parents. Mrs Ewing, our Careers Advisor, will be on hand to give advice.

If you are able to join us on Thursday 6 October, please complete the reply slip by following the link below by Monday 3 October 2022. Please also tell us how many people you are bringing with you – students are welcome to attend with their parents and carers.

[Year 11 Parent Information Evening](#)

Car Parking at Trinity School Events

Car parking can be challenging at school events. Please note that the car parking spaces on the opposite side of Strand Road to the school are for residents parking only; these spaces must not be used. Traffic wardens do operate in this area and fines may be issued if cars are parked without a resident permit. Car parking is available in either of our main car parks; please use these whenever possible. There is also disc controlled parking available on other sections of Strand Road. Visitors also find there are often spaces available on the roadside around DFS and the Turf, and it is a short walk up Zero Path to the school. We would appreciate your support with this matter.

Yours faithfully

A Hopkins
Assistant Headteacher
