Headteacher

7 December 2022

Dear Parent/Carer

**Re: Year 8 Information Evening  
Thursday 15 December 2022**

We would like to invite you to an information evening on the Thursday 15 December. This information evening is intended to share expectations of student work and student books so that you can ensure that your child is making the right progress and working as effectively as they can this year. You will see examples of excellent learning - both in terms of watching effective learning and seeing examples of learning in books.

On the evening there are two talks available. One is at **5.00 pm** and the other is **5.45 pm**. Please indicate via the link below which of the two talks you would like to attend.

**Car Parking at Trinity School Events**

Car parking can be challenging at school events. Please note that the car parking spaces on the opposite side of Strand Road to the school are for residents parking only; these spaces must not be used. Traffic wardens do operate in this area and fines may be issued if cars are parked without a resident permit. Car parking is available in either of our main car parks; please use these whenever possible. There is also disc controlled parking available on other sections of Strand Road. Visitors also find there are often spaces available on the roadside around DFS and the Turf, and it is a short walk up Zero Path to the school. We would appreciate your support with this matter.

Please complete the reply slip by following the link below before **Tuesday 13 December**.

Yours faithfully

A Hopkins  
**Assistant Headteacher**
